VT4600DL Universal Dual 4K Docking Station
SKU: 901799

VisionTek®

Take your laptop from home to office without missing a beat. Instantly connect to dual 4K displays, Ethernet, and peripherals—with up to 100W power—all through one cable.

Replacement model for the VisionTek VT4510, with a slimmer footprint at a lower MSRP.

IDEAL FOR

Built for hybrid work—with fast setup, dependable connections, and smooth performance.

PRODUCT BENEFITS

- **Seamless connectivity:** Compatible with Windows, macOS, and ChromeOS via USB-C or USB-A, making it easy to connect across devices.

- **Power that keeps up:** Deliver up to 100W of charging to your devices for all-day productivity.*

- **Expand your view:** Drive up to two 4K Ultra High Definition external displays with reliable DisplayLink technology

- **Your life connected:** Add up to 6 USB devices, 3.5mm headset and wired networking to your system from a single cable.
