

Take your laptop from home to office without missing a beat. Connect to dual 4K displays, Ethernet, and peripherals—all through one cable.

Replaces the VisionTek VT1100 Universal Dock with support for higher resolution displays and additional USB ports.

IDEAL FOR

Built for hybrid work—with fast setup, dependable connections, and smooth performance.

PRODUCT BENEFITS

- Seamless connectivity:** Compatible with Windows, macOS, and ChromeOS via USB-C or USB-A.
- Expand your view:** Drive up to two 4K Ultra High Definition external displays with reliable DisplayLink technology
- Your life connected:** Add up to 5 USB devices, 3.5mm headset and wired networking to your system from a single cable.
- Power that keeps up:** Add a USB-C power adapter and passthrough up to 100W of charging to your devices.\*
