

Work from anywhere with the VisionTek VTWC520 USB webcam. With better video and audio performance than most built in laptop cameras and TAA compliant for large deployments.

IDEAL FOR

Home, Office or Hybrid work environments - plug and play connectivity.

PRODUCT BENEFITS

- **UVC Plug and Play:** Connect the Webcam to your system and open the video capture or conferencing software of your choice.
- **2K QHD Resolution:** Delivers crisp, lifelike video quality perfect for professional conferencing and content creation.
- **Works With:** Popular applications including Cisco Webex, Google Meet, Microsoft Teams, Zoom, and more.
- **Built-In Privacy Cover:** Integrated sliding cover ensures instant privacy and protection when the camera is not in use.
- **TAA Compliant:** Meets Trade Agreements Act (TAA) standards, making it ideal for government and regulated enterprise use.
