THE VISIONTEK DIFFERENCE

As a privately owned Midwestern company, VisionTek believes performance, reliability, and real support still matter. From IT and government agencies to healthcare, education, and distributed workforces, customers rely on us to reduce downtime and keep operations running smoothly.

Every product is backed by dedicated U.S. based technical support. We build technology that works so you can focus on getting your work done.

Smart Tek. Real Support.

Your life moves between work, home, travel, and everything in between. The VisionTek Charge 25W Magnetic Wireless Charger keeps your devices powered with fast, reliable wireless charging wherever you go. Qi 2.2 Certified technology delivers up to 25W charging for supported iPhone models while powerful magnetic alignment keeps your device perfectly positioned for efficient charging. Its slim, travel-friendly design reduces cable clutter and eliminates the need for multiple chargers, making it the ideal charging companion.

Qi 2.2 Certified Fast Wireless Charging

Delivers up to 25W wireless charging for supported iPhone 17 and iPhone 16 devices, with efficient power delivery for Qi-compatible smartphones and accessories.

Snap & Charge Magnetic Alignment

Strong integrated magnets automatically align compatible devices for secure placement, consistent charging performance, and effortless everyday use.

Universal Qi Compatibility

Works with iPhone 12 through iPhone 17 series, AirPods 3/4, AirPods Pro 2/3, Samsung Galaxy S25/S26 with magnetic alignment cases, and other Qi-enabled devices.

Slim, Portable Travel Design

Ultra-thin and lightweight construction fits easily into backpacks, laptop bags, purses, and pockets, making it ideal for work, home, and travel.

Charge with Confidence

Built-in safety protections and intelligent temperature control protect your device while maintaining fast, efficient wireless charging.
